Eaton UK MOEM Mobile Tech Days

An email by **Control Consulting Services Ltd** on behalf of Eaton

What are MOEM Mobile Tech Days?

The Mobile Tech Day is a mobile exhibition, where Eaton presents its solutions, innovation and services for the Machine OEM segment.

Eaton are bringing their Mobile Tech Day Truck to our branch, showcasing a wide variety of products and technology solutions that will bring value to you and your business.

Registered Office: Market Chambers, 1 Blackfriars Street, Hereford, HR4 9HS

Company registration no: 07311697

Vat no: 994 0799 59

Why come and visit?

- **To gain insight** to how different technologies like Drives, Controls and Protection Devices can be integrated into one smart IoT-Solution or to realise your compact Energy efficient pump/ventilation applications with a targeted Drives portfolio.
- **View our range** of intelligent motor control equipment, soft starters and variable speed drives; motor monitoring and protection products, HMI interfaces and communicating IO & IoT architectures.
- **Join our seminars** on latest developments and trends in the sector such as IoT, HMIs, New digital NZM generation and the impact of the ERP directive on electrical switchgear.
- **An opportunity to discuss** your business challenges face-to-face with industry specialists
